Product details

The 2129-82-04 headset from Jabra (Mobile) lets you work comfortably and efficiently. This on-ear headset is binaural. You can use it for desk phones. With a Quick-Disconnect (QD) port you can easily connect this headset to your devices via cable. Thanks to its noise cancelling function, you can use the headset in places with high noise levels to work peacefully.

Get it now — experience great quality and good, comprehensive service from order to delivery.
