

# Power Cable Schuko CEE 7/7 to IEC320-C19

417219

## Specifications

**Product type** Power cable / adapter (external)

## Product details

Ensure that your devices have access to an uninterruptible power supply with the AP9875 UPS/PDU power cable from APC by Schneider Electric. UPS systems make up for malfunctions in the electricity grid, so your computer center won't be affected negatively.

Buy it now — experience exceptional quality and good, comprehensive service from order to delivery.
