Includes	Power cable

Product details

If you're looking for a great projector, then the V11H671040 from Epson is an ideal choice. With 3400 ANSI lumens and a high contrast value of 16000:1, this LCD projector offers vivid and sharp images, even if used in rooms with a lot of ambient light. It can be used with a 1280 x 800 screen resolution and the zoom can be adjusted digitally. It weighs only 3.7 kg, which makes it easy and convenient to transport around — an ideal option for meetings and seminars. Using the projector is straightforward, just connect it to your computer via USB. It's equipped with integrated speakers, so sound is already taken care of. In Eco Mode the projector lamp will last up to 10000 hours, which means it covers about 7 years of daily usage.

Buy it now — enjoy exceptional quality and all-round excellent service from order to delivery.
