Product details

Datalogic's QD2131-BKK1S wired barcode scanner is ideal for any workspace. This device uses a linear imager scanner that reads barcodes using CCD/CMOS sensors. It's an ideal choice if you're looking for versatility. It can be used in wholesale or retail, as well as logistics or freight forwarding companies. You can connect this Datalogic device to your computer via USB, 1x PS/2 or 1 x RS-232.

Experience exceptional quality and good, comprehensive service — from order to delivery. Get it now!
