Product details

For a convenient backup solution for your data, get the 8865-RDX RDX backup medium from Tandberg Data. You can store your data efficiently thanks to the storage capacity of 2 TB. It also has a data transfer rate of 260 MB/s. It includes a built-in USB 3.0 port. When comparing it to magnetic tapes or traditional hard drives, you'll find that this RDX disk drive has many advantages — its sturdy build makes it ideal for transporting and you don't need for additional software to access your data with the RDX technology.

From the moment you order to the delivery of your purchase — take advantage of all-round excellent service. Place your order now!
