Product details

The reliable 211716-01 headset from Plantronics is ideal for any workplace. This on-ear headset is binaural. It's suited for tablets. This headset can easily be connected wirelessly to your devices. Because the headset is equipped with a noise cancelling function, you can use it to work peacefully in loud places.

Take advantage of exceptional quality and all-round excellent service, from the moment you order to the delivery of your purchase.
