Product details

Give your display great protection with Kensington's reliable 626482 privacy filter. This cover is a privacy filter and conceals your confidential documents from prying eyes by blacking out side views of your display. It's practical for maintaining privacy while you work on board flights or trains. It safeguards your screen from scratches, smudges and dirt. You can use this privacy filter for 21.5" (54.6 cm) monitors with a 16:9 aspect ratio. Get it now — experience great quality and good, comprehensive service from order to delivery.
