Product details

You can't go wrong with the reliable LH55OMNSLGB/EN public display from Samsung. It's measured at 138.7 cm (54.6") diagonally and its elegant black design complements a variety of office interiors. The monitor is connected via DisplayPort or HDMI. It can be wall-mounted, making this monitor not only suitable for any workplace, but also for presentations during meetings. Because of the high 5,000:1 contrast value and the substantial brightness value of 4000 cd/m², this monitor is also suitable for areas with a lot of direct sunlight, allowing you to work comfortably anywhere. Its 1920 x 1080 resolution is a great fit for your standard work day Samsung. The white LED backlighting is easy on your eyes and allows you to work for longer periods of time without experiencing eye fatigue. This model is rated in the energy efficiency class D.
